L.A. Beat is Lethbridge, Alberta's only online arts and entertainment magazine.

It is designed to support music, art, drama and other cultural endeavours in and around the city.

It will start out as an online presence and then evolve into a print edition which will be distributed at numerous locations in the city.

If you have an event you want L.A. Beat to promote, contact us by e-mail. Look for my Facebook group. Check it for updates about what's new on L.A. Beat. L.A. Beat is also on Myspace at myspace.com/labeatlethbridge and on [Twitter@LABeatartsmag](https://twitter.com/LABeatartsmag)
